

Tattoo Life and **Tattoo Energy** have been the reference point of the great international tattoo community, translated into five languages (French, English, Italian, Spanish and German) and distributed in 48 countries. A way to offer this art to the multitudes of people which attracted thousands of readers and even imitators in just a short time. **Tattoo Energy and Tattoo Life are by far the most recognized tattoo magazines in the world. All magazines are bi-monthlies and come out alternate months.**

TATTOO LIFE covers different topics and all images and contents are chosen very carefully. It is mostly for expert readers, people interested in getting a deeper knowledge of the tattoo world, its cultural and artistic features and traditions.

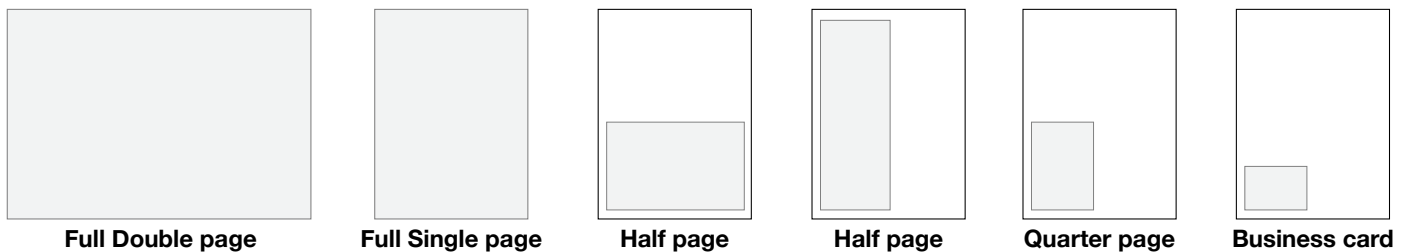

TATTOO ENERGY is a gallery of images from all over the world, from all those countries where tattoo trends are evolving and developing quickly into new directions. Dedicated to curious readers, it has features for the younger ones and for those who want to get their first tattoo.

TATTOO COLLECTION Over 300 colour tattoos divided into always different topics and galleries. To choose your new tattoo and see what's new in the international tattoo world.

TATTOO ITALIA is the tattoo magazine dedicated to Italian tattoo. To get to know and discover the new artists and the finest tattoo art works. A perfect channel of information for tattoo enthusiasts and the operators of the sector.
